

SINGAPORE HOSPITALITY STUDY TOUR

A holistic immersion workshop with a series of comprehensive sessions and fun activities over one week. It is carefully planned and designed to maximise learners' quality learning experience. This study tour will allow learners to immerse themselves in the international tourism scene and experience the hospitality education system in Singapore.

This workshop is designed to impart SDH Institute's values such as quality and teamwork, and to give learners a clearer perspective of the hospitality industry today.

At the end of this programme, learners will be equipped with the relevant skills and knowledge, giving them a head start in becoming a working professional in the Hospitality, Food and Beverage and Hotel industry.

Hands-on experience in table setting and napkin folding.

Exclusive tour in 5-star hotels to experience how it is like working in the hospitality industry.

Participate in an interactive mocktail mixing workshop!

Role playing opportunities enable learners to act out various scenarios in the Front Office department.

Enjoy a 3 course meal while learning the do's and don'ts of fine dining etiquette.

Gain valuable insights guest lectures conducted by industry leaders.

Presentation on the different hotel and restaurant management styles.

Acquire knowledge on key terms that are used in the Hospitality industry through an interactive lesson!

Learn how grooming and presenting yourself confidently is key.
